

Accident Compensation Corporation Selects Guidewire for Policy Administration, Underwriting, and Billing Operations

October 24, 2024

WELLINGTON, New Zealand & SAN MATEO, Calif.--(BUSINESS WIRE)--Oct. 24, 2024-- Accident Compensation Corporation (ACC), the Crown Entity set up under the Accident Compensation Act 2001 (the AC Act) to deliver New Zealand's accident insurance scheme, and [Guidewire](#) (NYSE: GWRE) announced that ACC will migrate [Guidewire PolicyCenter](#) and [Guidewire BillingCenter](#) onto [Guidewire Cloud](#) to its workers' compensation line of business simultaneously. The company originally implemented PolicyCenter and BillingCenter in an on-premises mode. [Guidewire PartnerConnect](#) Consulting Global Premier member [Tenzing](#) is a key partner in the implementation project.

"We've been a Guidewire customer since 2016. The flexibility of Guidewire Cloud will help enable us to simplify our operations and shift system maintenance to Guidewire," said ACC Acting Deputy Chief Executive Technology & Data, Campbell Mackie.

Tenzing Managing Director Suri Bartlett expressed, "We are honored to partner with ACC and Guidewire to deliver the cloud transformation journey. Having supported a number of these large implementations, our team looks forward to the transition of PolicyCenter and BillingCenter on Guidewire Cloud."

"We thank ACC for its continuing commitment in Guidewire and confidence in our cloud platform," commented Guidewire Senior Vice President and Managing Director, Asia-Pacific, Shaji Sethu. "We are pleased to work with ACC to provide the balance of relevant innovation and reliable operations to help the company in its mission of improving lives every day through a focus on prevention, care, and recovery for all people in Aotearoa New Zealand who are affected by injury."

As part of ACC's cloud transformation journey, they will also adopt [Guidewire Explore](#) to gather and curate near real-time PolicyCenter data.

About Accident Compensation Corporation
